The WSET Level 2 Wines is an intermediate level course with a focus on wines from the major wine regions of the world. You'll learn the characteristics of all the major, and several minor, grape varieties; the styles of wine they produce; and how to use label information to understand a wine's quality and style. You'll also learn how wine grapes are grown, how wine is made and the differences between the key sparkling, sweet and fortified wines of the world. This course is for consumers who have a serious interest in wine and also professionals working in the wine and hospitality industries who want to expand their knowledge. If neither option is made available by MWC, a refund, minus the full cost of the study materials and any wine kits supplied, will be offered.

MWC strongly advises that students arrange insurance to cover unforeseen events such as illness, unfavorable weather, or cancellation of a course for which travel and accommodation costs have been incurred.
